Make a Meeting! We Actually Have **FUN!**

What's Happening

By Julian Martin

Time waits for no one: I joined the Lodge in 1962 for the purpose of becoming the editor of The Ship's Log. It's been a great run and I had fun. What made it all possible was the coming of the computer. The work did not get easier: it became more productive.

With time on my hands, I worked my way through the Lodge Stations to become Chancellor Commander for 1967-8. And, as necessity would have it, I had the opportunity to serve as the Secretary, Treasurer and Financial Secretary. I even served one term as Lodge Custodian and many terms as Trustee.

At the Grand Lodge level, I worked my way through the chairs to become the Grand Chancellor in 1989-90. The New York Grand Lodge at that time was about 50,000 strong. I had the opportunity to serve as Supreme Lodge Representative and recently as Grand Tribune. I served as the Grand Lodge newspaper editor for several years, as well as many other posts. I also served as Supreme Tribune Recorder for one term and as Chief Deputy Supreme Chancellor for two terms.

Most of my work was in the area of the benevolent associations, of which our Lodge has several due to mergers. I am proud of my work for Neptune Association and Eternal Knight Association.

Nevertheless, the time came for me to give up all these duties. Even though the spirit is willing, the body said enough! Therefore, I will proceed to withdraw from the formal activities of the Lodge during the next few months and become a sideline member finally.

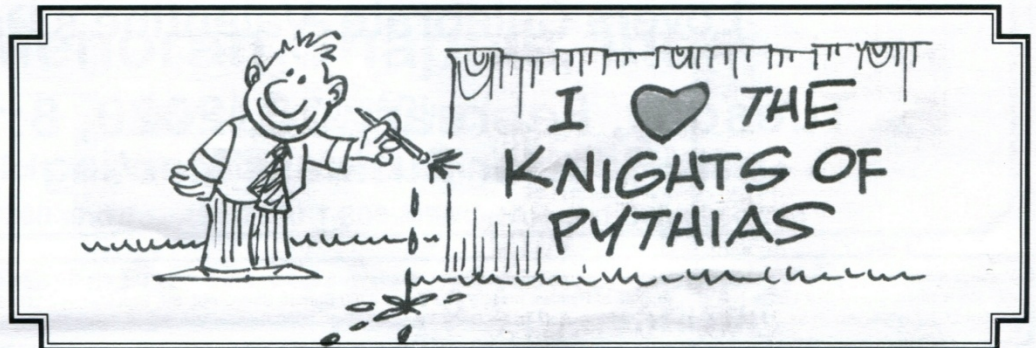

There are far too many Pythians and Pythian Sisters who I would like to thank for the assistance, guidance and good wishes, many whom have long since left us. My wife Gladys (a Past Grand Chief) was and is my greatest supporter.

To all Pythians who read this message, I want to say thank you for being there to carry on this beautiful Order. Our Order will live forever as long as one Pythian has faith in our tripartite motto: Friendship, Charity and Benevolence.

—Julian S. Martin
