CHANCELLOR COMMANDER'S MESSAGE

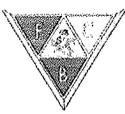

My Pythian Brothers,

We finally got what many of us were asking for" SUMMER". It seemed like our winter and springtime would be here till the end of time. We can now wear our short pants and tee shirts, get some vitamin D and relax a bit. Make sure not to read the newspapers and listen and watch on the radio and TV. Just relax and think about ways we can get our lodge to regenerate once again. We will schedule meeting for the summer. Members will be notified by email and telephone. We want to thank Grand Chancellor Sir Charles Pakula and the Members of Grand Lodge for the terrific work they did this past year. I believe that this is the year for us to build on their inspiring effort so that we can continue to grow.

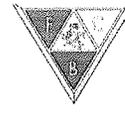

If any Brother or Sister has any ideas to increase membership, please contact me. The lodge officers and I will continue to do all that we can to keep Wendell Willkie Lodge viable. If you have a candidate for membership let me know. A number of 3/1 ranks have taken place throughout our last Pythian calendar year and I certain they will continue this year. We are getting older and we need younger members, male and female.

Fraternally yours,
Jay Richman
 Chancellor Commander

Have you paid your dues for 2023?

This Corner of Our World”

Sir Lloyd Merson, PDSC

Thinking about things to write about has become increasingly difficult. Perhaps writing about the old days would be okay, maybe about the future and then we can write about the present. I suppose a little of each may be just the right thing.

The past few years have made a difference in our lives. The Covid attack was the equivalent of an armed attack on our country and it's citizens, We had sickness, death and destruction all around us. Many people perished, a countless number of people became sick with weird ailments that seem to linger on and the destruction of our economy has hurt everyone. People are angry and it's hard to blame them. I'm one of them. This Covid attack hurt our lodge as well as other lodges. Having regular meeting was impossible. We had to make certain our members would be safe and the best way to do that was to stay home. Having meeting in restaurants just as dangerous. We did eventually meet at a diner and had a few members attend. The main intention was to keep Wendell Willkie Lodge alive. We will attempt to have meetings again this fall.

The Knights of Pythias, Domain of New York continued to thrive. A number of lodged had 3/1 ranks, had meetings and had events. Under the leadership of GC Sir Charles Pakula and the Grand Council a path was made to continue our good work. The Pythian Humanitarian Fund made donations, The Pythian Camp Fund sent children to camp, and The Scholarship Fund presented scholarships. This will continue because of our Pythian principles.

Just be careful when you're out of your home. I was driving my car out of the parking space I have. I slowly move my car to the exit. I have to go on the sidewalk before entering the street. Again I was slowly moving my car, looking to the left , to the right and no one is there. Within a few seconds a motor bike is coming at me from the left going about fifty miles an hour. I jammed on the brakes and this idiot had just enough room to go in front of my car. I certain that my Pythian Brothers and Sisters driving their cars must have seen this idiot or perhaps other idiots like him. This will be part of our future If we keep electing brain-dead people. Got that out of the way.

We still have some members that have not paid their 2023 dues. I hope they are alive and well. We have sent notices more then once and received no answer. Wendell Willkie Lodge benefits are given to paid-up members. Future meetings will be sent by email and the phone. Please send your email address to me balonite@aol.com or call 347-293-7751 if you have questions..

Wishing everyone a healthy and happy summer.

Reflect upon your present blessings, of which every man has many-not on your past misfortunes, of which all men have some. –Charles Dickens

I — WESTCHESTER SQUARE
II — WHITE PLAINS RD. & PELHAM PKWY.

WILL BE BACK IN NEW YORK APPROXIMATELY 5:30 P.M.

CHANCELLOR COMMANDER'S MESSAGE

My brothers, this administration is nearing its conclusion, but this does not mean the work is done. We still have a picnic slated to take place this Spring and if our last picnic is an example this one should be a huge success.

A weekend to be held at Tamarack Lodge is being prepared for the weekend of June the 12th, 1964. We can all look toward this weekend with enthusiasm for it promises to be very enjoyable for all who attend.

Our sports programs are coming to an end for this year but regardless if we win any trophies or not I am sure that all the brothers who participated had a good time and I know they will be back next year for more combat on the ball field and in the bowling alley. A sport night is planned so that trophies, if any, will be presented to those who were fortunate enough to win them.

These are but a few of the functions we can look forward to for the remainder of this year but what did we accomplish since September of 1963?

Our reception of officers at Lemko Hall afforded a good time for some 500 people. They were dined, wined, and they danced till two o'clock in the morning. We got no complaints and they are all looking forward to our next reception.

Our fund raising committee has worked hard to accumulate funds so that we were able to once again sponsor a baseball team in the Soundview Little League. We donated monies to Pythian Camp, Deborah Hospital, etc.

The membership committee processed and initiated twenty-seven new members and about a dozen transferies and reinstatements. Speaking of initiations, our Lodge, ritualistically has once again outdone ourselves. Not only have we performed the amplified rank of Knight for U. S. Grand Lodge, we also are performing the amplified rank in our own lodge where we played host to a delegation from the 12th Pythian District. They heard about our ritualistic accomplishments and they came down with three Esquires who were Knighted together with eleven of our own.

To top this off Wendell Willkie was part of a new movement in the Pythian Order, Junior Bowling. This was a 43rd Pythian District first and we can be proud that we were part of this movement.

As I stated before we still have several more functions for this year, so let's all get behind your committees and finish this fiscal year in real Wendell Willkie style.

Fraternally,
Izzy Horowitz
